“RESOLVED THAT the Company or a subsidiary, be and is hereby authorised, by way of general authority in terms of article 16 of the MOI, to acquire shares issued by it, subject to the requirements of sections 46 and 48 of the Companies Act and the Listings Requirements of the JSE Limited (“JSE”) and the MOI of the Company:”

It is recorded that the Listings Requirements of the JSE require, *inter alia*, that the Company or a subsidiary may make a general acquisition of shares issued by the Company only if:

- this general authority shall only be valid until the next AGM of the Company, provided that it shall not extend beyond 15 (fifteen) months from the date of passing of this special resolution;
- the maximum price at which the shares may be acquired will be 10% (ten percent) above the weighted average market value at which such ordinary shares are traded on the JSE for such ordinary shares for the 5 (five) business days immediately preceding the date on which the transaction is effected. In the event that the Company’s shares have not traded in such five business-day period, the JSE will be consulted for a ruling;

- the repurchase may only be effected if the shareholder spread requirements, as set out in paragraphs 3.37 and 4.28(e) of the JSE Listings Requirements, are still met after such repurchase;
- the directors have passed a resolution authorising the repurchase, resolving that the Company or the subsidiary, as the case may be, has satisfied the solvency and liquidity test as defined in Section 4 of the Companies Act and resolving that since the solvency and liquidity test had been applied, there have been no material changes to the financial position of the Group;
- such authority is limited to paragraphs 5.68, 5.72(a), (c) and (d) of the JSE Listings Requirements;
- when the Company has cumulatively repurchased 3% (three percent) of the initial number (the number of that class of shares in issue at the time that the general authority from shareholders is granted) of the relevant class of securities for each 3% (three percent) in aggregate of the initial number of that class acquired thereafter, an announcement must be made. Such announcement must be made as soon as possible and, in any event, by not later than 8:30 on the second business day following the day on which the relevant threshold is reached or exceeded and must contain the following information in terms of paragraph 11.27 of the JSE Listings Requirements:

 - the assets of the Company and the Group will be in excess of the liabilities of the Company and the Group for a period of 12 (twelve) months after the date of the announcement. For this purpose, the assets and liabilities should be recognised and measured in accordance with the accounting policies used in the latest audited Group annual financial statements;
 - the share capital and reserves of the Company and the Group will be adequate for ordinary business purposes for a period of 12 (twelve) months after the date of the announcement;
 - the working capital of the Company and the Group will be adequate for ordinary business purposes for a period of 12 (twelve) months after the date of the announcement;

Statement by directors in terms of paragraph 11.26 (d) of the JSE Listings Requirements

The Company's directors state that they have resolved by resolution that after considering the effect of such maximum repurchase:

- the Company and the Group will be able in the ordinary course of business to pay its debts for a period of 12 (twelve) months after the date of the notice of the AGM;
- assets of the Company and the Group will be in excess of the liabilities of the Company and the Group for a period of 12 (twelve) months after the date of the notice of the AGM. For this purpose, the assets and liabilities should be measured in accordance with the accounting policies used in the latest audited annual Group financial statements;
- the share capital and reserves of the Company and the Group will be adequate for ordinary business purposes for a period of 12 (twelve) months after the date of the notice of the AGM;
- working capital of the Company and the Group will be adequate for ordinary business purposes for a period of 12 (twelve) months after the date of the notice of the AGM; and
- a resolution by the Board of Directors has been passed that it has authorised the repurchase, that the Company and its subsidiaries have passed the solvency and liquidity test and that, since the test was performed, there have been no material changes to the financial position of the Group.

The directors state further, in terms of paragraph 11.26(e) of the JSE Listings Requirements, that such resolution contains a statement that such authority is limited to paragraphs 5.72(a), (c), (d) and 5.68 of the JSE Listings Requirements.

Reason for and effect of special resolution number 1

The reason for and effect of special resolution number 1 is to authorise the Company and/or its subsidiaries by way of a general authority to acquire Alviva issued shares on such terms, conditions and in such amounts as determined from time to time by the directors of the Company, subject to the limitations set out above and in compliance with sections 46 and 48 of the Companies Act. It is the intention of the directors of the Company to use such authority should prevailing circumstances, such as market conditions, in their opinion warrant it.

Percentage voting rights

This resolution requires at least 75% (seventy-five percent) of the voting rights exercised by shareholders present or represented by proxy and entitled to exercise voting rights on the resolution.

SPECIAL RESOLUTION NUMBER 2

General authority to provide financial assistance for a period of two years in terms of section 44 of the Companies Act

"RESOLVED THAT, in terms of section 44(3)(a)(ii) of the Companies Act, as a general approval, the Board be and is hereby authorised to approve that the Company provides any direct or indirect financial assistance ("financial assistance" will herein have the meaning attributed to it in sections 44(1) and 44(2) of the Companies Act), that the Board may deem fit to any Company or corporation that is related or inter-related to the Company ("related" or "inter-related" will herein have the meaning attributed to it in section 2 of the Companies Act) and/or to any financier who provides funding by subscribing for preference shares or other securities in the Company or any Company or corporation that is related or inter-related to the Company, on the terms and conditions and for amounts that the Board may determine for the purpose of, or in connection with, the subscription of any shares or other securities, issued or to be issued by the Company or a related or inter-related Company or corporation, or for the purchase of any shares or securities of the Company or a related or inter-related Company or corporation, provided that the aforementioned approval shall be limited to a maximum amount of R1 billion (one billion Rand) and be valid for a period of two years or until the AGM following the next meeting, whichever occurs first in terms of section 44(3)(a)(ii).

Notice of annual general meeting

continued

Reason for special resolution number 2

The reason for and effect of special resolution number 2 is to grant the directors the authority, for a period of two years or until the AGM following the next meeting, to provide financial assistance to any company or corporation which is related or inter-related to the Company and/or to any financier for the purpose of or in connection with the subscription or purchase of shares or other securities in the Company or any related or inter-related company or corporation.

This means that the Company is authorised, *inter alia*, to grant loans to its subsidiaries and to guarantee and furnish security for the debt of its subsidiaries where any such financial assistance is directly or indirectly related to a party subscribing for shares or securities in the Company or its subsidiaries. A typical example of where the Company may rely on this authority is where a subsidiary raises funds by way of issuing preference shares and the third-party funder requires the Company to furnish security, by way of a guarantee or otherwise, for the obligations of its subsidiary to the third-party funder arising from the issue of the preference shares.

Approval is not sought for loans to directors or other individuals and no such financial assistance will be provided under this authority.

Compliance with section 44(3)(b)

The directors of the Company will, in accordance with the Companies Act, ensure that financial assistance is only provided if the requirements of that section are satisfied, *inter alia*, that immediately after providing the financial assistance, the Company would satisfy the solvency and liquidity test set out in section 4(1) of the Companies Act and the terms under which the financial assistance is proposed to be given are fair and reasonable to the Company.

Percentage voting rights

This resolution requires at least 75% (seventy-five percent) of the voting rights exercised by shareholders present or represented by proxy and entitled to exercise voting rights on the resolution.

SPECIAL RESOLUTION NUMBER 3

General authority to the Company to provide financial assistance for a period of two years to any of its subsidiaries in terms of section 45 of the Companies Act

"RESOLVED THAT the Board of the Company be given general authority for a period of two years or until the AGM following the next meeting, whichever occurs first, in terms of section 45(3)(a)(ii) of the Companies Act to authorise the Company from time to time to provide any direct or indirect financial assistance, as defined in section 45(1) of the Companies Act, to any subsidiary as contemplated in section 45(2) of the Companies Act for such amounts and on such terms and conditions as the Board of the Company may determine."

Reason for and effect of special resolution number 3

The reason for special resolution number 3 is to obtain authority to transfer funds against loan accounts between Group companies in order to continue conducting centralised treasury operations of the Group; and for the Group to continue issuing covering guarantees in favour of financial institutions and certain major suppliers for credit and advances by those organisations to the Company's operating subsidiaries, both of which practices require shareholder approval by way of special resolution in terms of section 45 of the Companies Act.

The effect of the resolution will be to allow the Group to continue critical Group functions, including treasury operations, and to satisfy major lenders and suppliers' security requirements so that they can continue to lend to and supply the Group. Such financial assistance will be provided as part of the day-to-day operations of the Company in the normal course of its business and in accordance with its MOI and the provisions of the Companies Act.

Notice of annual general meeting

continued

Compliance with section 45(3) (b) of the Companies Act

The directors of the Company will, in accordance with section 45(3) (b) of the Companies Act, ensure that financial assistance is only provided if the requirements of that section are satisfied, *inter alia*, that immediately after providing the financial assistance, the Company would satisfy the solvency and liquidity test set out in section 4(1) of the Companies Act.

Notice given to shareholders of the Company in terms of section 45(5) of the Companies Act of a resolution adopted by the Board authorising the Company to provide such direct or indirect financial assistance in respect of special resolution number 3:

- (a) by the time that notice of this AGM is delivered to shareholders of the Company, the Board will have adopted a resolution ("section 45 Board resolution") authorising the Company to provide, at any time and from time to time during the period of two years commencing on the date on which special resolution number 3 is adopted, any direct or indirect financial assistance as contemplated in section 45 of the Companies Act (which includes lending money, guaranteeing a loan or other obligation, and securing any debt or obligation) to a related or inter-related Company or corporation;
- (b) the section 45 Board resolution will be effective only if and to the extent that special resolution number 3 is adopted by the shareholders of the Company, and the provision of any such direct or indirect financial assistance by the Company, pursuant to such resolution, will always be subject to the Board being satisfied that:
 - (i) immediately after providing such financial assistance, the Company will satisfy the solvency and liquidity test as referred to in section 45(3)(b)(i) of the Companies Act; and
 - (ii) the terms under which such financial assistance is to be given are fair and reasonable to the Company as referred to in section 45(3)(b)(ii) of the Companies Act
- (c) in as much as the section 45 Board resolution contemplates that such financial assistance will in the aggregate exceed one-tenth of one percent of the Company's net worth at the date of adoption of such resolution, the Company will provide notice of the section 45 Board resolution to shareholders of the Company. Such notice will also be provided to any trade union representing any employees of the Company.

Percentage voting rights

This resolution requires at least 75% (seventy-five percent) of the voting rights exercised by shareholders present or represented by proxy and entitled to exercise voting rights on the resolution.

* As announced on SENS on 30 June 2022, the Company received a non-binding expression of interest from a consortium of investors in relation to a proposed acquisition of all of the issued share capital of Alviva, not owned by the consortium. As the offer is to be made by way of a scheme of arrangement, in accordance with section 114 of the Companies Act, it requires Alviva appointing an independent board and independent expert to opine on the offer.

As mentioned in the Background Statement in the Remuneration Committee Report, following a benchmarking exercise, a decision was taken that non-executive remuneration should be adjusted in line with the 50th percentile of the comparator group and this has resulted in the significant increases proposed for 2023.

Each fee is paid to each director who is a member of the Board or Committees referred to above. Chairperson fees are paid in addition to membership fees. No fees are paid for attendance per meeting as the base fee is an all-inclusive fee with the non-executive directors' appointment agreements stipulating attendance at meetings as a requirement. Executive directors do not receive directors' fees.

Reason for and effect of special resolution number 4

The reason for and effect of special resolution number 4 is for the Company to obtain the approval of shareholders by way of special resolution to remunerate its non-executive directors in accordance with the requirements of the Companies Act without requiring further shareholder approval until the next AGM.

Percentage voting rights

This resolution requires at least 75% (seventy-five percent) of the voting rights exercised by shareholders present or represented by proxy and entitled to exercise voting rights on the resolution.

In terms of paragraph 5.52 of the JSE Listings Requirements, the allotment and issue of shares for cash shall be subject to the following limitations:

- that the securities which are the subject of the issue for cash must be of a class already in issue, or where this is not the case, must be limited to such securities or rights that are convertible into a class already in use;
- any such issue will be made to public shareholders as defined in paragraphs 4.25 to 4.27 of the JSE Listings Requirements, and to related parties through a bookbuild process provided as set out below;
- shares which are the subject of such a general issue for cash must be less than 30% (thirty percent) of the applicant’s listed equity securities as at the date of the notice of AGM seeking the general issue for cash authority, provided that:
 - as contemplated in paragraph 5.50(b) of the JSE Listings Requirements, this authority shall not be extended beyond the next AGM or 15 (fifteen) months from the date of this AGM, whichever is earlier;
 - the calculated number of issued ordinary shares as at the date of the notice of AGM is 117 623 944 issued shares, less 7 665 000 Forfeitable Share Plan shares and 1 071 410 treasury shares, i.e., 108 887 534 ordinary shares;
 - shares which are the subject of the general issue for cash shall in any one financial year not exceed 10 888 753 (ten million eight hundred and eighty eight thousand seven hundred and fifty three) ordinary shares, being 10% (ten percent) in aggregate of the number of shares (excluding Forfeitable Share Plan Shares and Treasury Shares) in the Company’s issued share capital in issue at the date of this notice of the AGM;
 - any shares issued under this authority, prior to this authority lapsing, shall be deducted from the shares that the Company is authorised to issue in terms of this authority for the purpose of determining the remaining number of shares that may be issued in terms of this authority;
 - in the event of a sub-division or consolidation of shares, prior to this authority lapsing, the existing authority shall be adjusted accordingly to represent the same allocation ratio;
- related parties may participate in a general issue for cash through a bookbuild process provided:
 - the approval by shareholders contemplated in paragraph 5.52(e) expressly affords the ability to the issuer to allow related parties to participate in a general issue for cash through a bookbuild process;
 - related parties may only participate with a maximum bid price at which they are prepared to take-up shares or at book close price. In the event of a maximum bid price and the book closes at a higher price the relevant related party will be “out of the book” and not be allocated shares; and
 - equity securities must be allocated equitably “in the book” through the book build process and the measures to be applied must be disclosed in the SENS announcement launching the bookbuild;
- after the Company has issued shares in terms of the approved general issue for cash representing, on a cumulative basis within the financial year, 5% (five percent) or more of the number of equity securities in issue prior to that issue, the Company shall publish an announcement giving full details of the issue, including:
 - the number of securities issued;
 - the average discount to the weighted average trading price of the securities over the 30 (thirty) days prior to the date that the issue was determined and agreed by the directors of the Company; and
 - the impact on net asset value, net tangible asset value and on earnings and headline earnings per share;
- in determining the price at which shares will be issued in terms of this authority, the maximum discount permitted shall be 10% (ten percent) of the weighted average traded price of such shares, as determined over the 30-day (thirty-day) business period prior to the date that the price of the issue is determined or agreed by the directors of the Company. If no shares have been traded in the said 30-day (thirty-day) business period, a ruling will be obtained from the JSE.

A 75% (seventy-five percent) majority of votes cast in favour of the resolution by all members present or represented by proxy, is required for this ordinary resolution to be passed.
